7th Annual

Niños Seguros

SEGURO QUE SÍ

Back to School & Safety Fair

Back to School and Safety Fair to Giveaway Backpacks and Laptops. The 7th Annual Niños Seguros Back to School & Safety Fair is a FREE one-day family festival focusing on child safety, health and education. Please join us from 10 a.m. to 3 p.m., Saturday, July 30 at the Glendale Civic Center, 5750 W. Glenn Drive. Attendees can participate in a variety of entertaining activities and view demonstrations by City, State and local area health organizations.

The highlight of the event is the "Backpack Giveaway" — school aged children will receive a backpack, courtesy of event sponsors, to kick-off the new school year in style. In order to redeem a backpack, children must have a voucher that will be provided at the event on a first come first serve basis. Participants are encouraged to get there early, as backpacks will run out. There will also be eight laptops raffled off during the event courtesy of Air Products.

Niños Seguros, Seguro Que Sí (Safe Kids, Sure Thing) is a year-round public service program created for the Hispanic community. The program reinforces the importance of safeguarding children and helps increase awareness of common dangers in everyday life. Since the program's inception in 2003, Niño Seguros has provided child identification cards to thousands of children statewide.

Ocotillo District Neighborhood Added To Historic Register. The Sands Estates Historic District is joining a distinct list of Glendale properties on the National Historic Register. The Keeper of the National Register of Historic Places recognized this neighborhood, located at 59th and Orangewood avenues, for its commitment to preserve the original structure and historical essence of their homes.

The district is comprised of six subdivisions with 176 single-family ranch-style homes and three apartment buildings constructed between 1947 and 1966. Currently, the city of Glendale has eight historic districts

and many individual historical properties. The districts include Catlin Court, Floralcroft, 59th Avenue Residential, Northfield, Glendale Tract and Myrtle Avenue Residential. There are currently 298 Glendale properties listed on the National Register with a total of 87,000 properties in the United States.

Participating properties must be at least 50 years old, have maintained the integrity of the facade of the house and reflect a historical significance such as architecture, people, place or event. [Click here](#) for more information.

Fabian's Law Effective July 20, 2011. Arizona lawmakers passed HB 2137 during the last legislative session. Championed by a Glendale couple whose poodle was killed by an aggressive dog, this law increases penalties for people who do not control their dogs. Fabian's Law, which becomes effective July 20, 2011, will make it a Class 1 misdemeanor when a person who owns or who is responsible for the care of an aggressive dog does not take reasonable care to control the dog in a manner that prevents the dog from biting or attacking a person or domestic animal at all times while the dog is off the owner's or responsible person's property. The dog owner or responsible person can also be charged with a Class 3 misdemeanor if they do not take reasonable care to prohibit the dog from escaping to the outside of a residence or an enclosed area, yard or structure.
